

The DairyTas Board presents the

2009 Tasmanian Dairy Conference

“Performance, People and Predictions for the Future”

Burnie Civic Centre

Wednesday July 8th 2009 - 9.00 am to 4.30 pm

The conference is a chance to hear the latest on some of the main issues and developments for the Tasmanian Dairy Industry. Farmers, service providers and anyone interested in what is happening in Tasmania's leading agricultural industry are encouraged to attend.

Topics

What is driving the farm milk price?
Dairy Situation and Outlook 2009
The Health of the Tasmanian Dairy Industry
Feeding Systems and Measuring their Performance
The Farm Levy
Growing the Dairy Business
What is the future for Agriculture in Tasmania
Developments in RD&E
Developments in Genomics
Innovations in Agriculture
The People in Dairy
