Invitation

DairyTas Board is holding its 2009 Annual General Meeting and Industry Briefing on Tuesday November 24th in Riana.

The meeting is open to all dairy farmers and industry service providers and will feature presentations on **alternative energy options** for dairy farmers including results from recent energy audits that have been undertaken on dairy farms. Plus we will launch the new dairy industry animal welfare guide for dairy farmers.

Lunch will be provided and immediately afterwards a visit will be made to the Radfords farm on Ling's Road to look at **pasture renovation and irrigation development**.

**Start time for the annual meeting is 11am
on Tuesday November 24th 2009**

At the Riana Community Centre

Farm visit at 1pm to finish by around 2.30pm

Alternative Energy Options for Dairy Farmers:

Paul Fulton (Joule Logic – Energy Advisors); Will speak on farm energy audits and wind turbine opportunities for dairy

RSVP to Mark Smith at DairyTas on dairytas@eburnie.com.au or ph 6432 2233
