

HEALTHY HOOVES FARMER WORKSHOP

Expressions of Interest

Due to being over-subscribed at our last workshop, DairyTas and YDN Tasmania have secured future funding for another FREE, not to be missed, practical and informative Healthy Hooves Farmer Workshop.

Lameness is costly to your business. It is, however, something that can be minimised through good management.

Workshop Details:

Date	TBC - (before 30 June 2018)
Start Location	Depending upon location of participants and availability of facilities.
Time	9:15 am (for morning tea) till 2:30 pm

Morning tea & lunch provided by YDN Tas.

Please register your interest to

DairyTas on 6432 2233 or admin@dairytas.net.au

Note: This workshop is open to all Dairy Farmers but places are limited.

During the **morning session** you will learn about:

- Costs of lameness
- Minimising lameness with good stockmanship and handling
- Identifying a lame cow and lameness scoring
- Restraint, examination and tools
- Types of lameness and treatment

In the **afternoon session** there will be the opportunity to practice practical lameness treatment techniques. You will have the chance to see the best methods for lifting a cow's leg and restraining it, as well as practice how to pare a cow's foot and apply blocks to the hooves.

For more information contact Jacki Hine jhine@dairyaustralia.com.au or 0429 698 168
